**About Rural Northwest Health**

Rural Northwest Health employs 290 team members across the campuses of Warracknabeal, Beulah and Hopetoun. The organisation has a total of 90 residential aged care (RAC) beds, including 15 in the award-winning memory support unit, 16 acute beds and all three centres have a broad range of community health services keeping our community well at home. The population of the communities served by Rural Northwest Health is about 5000 people within the Yarriambiack Shire.

Rural Northwest Health is committed to achieving optimal health and wellbeing outcomes for all residing in the Wimmera Mallee community. We believe that our consumers are entitled to quality health care that respects their dignity, beliefs and rights regardless of their cultural, spiritual or socio-economic background.

We have two significant strategic areas which are:

- Build business capability
- Respond bravely and innovatively to opportunities that improve local health outcomes

**Position summary**

The Associate Nurse Unit Manager (ANUM) works in partnership with the Nurse Unit Manager (NUM) to provide clinical leadership to all team members to ensure that person centered care is planned, implemented, evaluated and maintained at a high standard. The ANUM acts as a professional and clinical role model for all team members and demonstrates advanced clinical knowledge and skills while assuming a management focus in the ward/unit. The ANUM is an integral member of the unit’s management and leadership team and assumes the After Hours Supervisor and Emergency Contact role for Warracknabeal Campus. The ANUM field calls for after-hours guidance and support from Yarriambiack Lodge and Hopetoun Campus and accepts responsibility and accountability for designated clinical portfolios.
