About Rural Northwest Health

Rural Northwest Health employs approx. 300 team members across the campuses of Warracknabeal, Beulah and Hopetoun.

Rural Northwest Health is focused on caring and supporting people to be healthy and living a full life. Our organisation is committed to delivering our strategic goals for 2020 - 2025:

- Our care – we will focus on safety, quality and accessibility in delivering healthcare across our community.
- Our team – we will focus on our culture, skilling our team and ensure we have effective and fit for purpose systems to make RNH an impactful and progressive organization.
- Our partnerships – we will focus on collaboration both within and beyond the healthcare sector to meaningfully engage with our communities.

OUR VISION

Strong, healthy, vibrant rural communities.

OUR MISSION

To promote wellness, enhance health, and support healthy ageing.

WHAT DEFINES US

We are committed to excellence

We listen and collaborate

We are caring and connected

We are friendly and enjoy our work

We are lifelong learners

Position summary

The Associate Nurse Unit Manager (ANUM) works in partnership with the Nurse Unit Manager (NUM) to provide clinical leadership to all team members to ensure that person centered care is planned, implemented, evaluated and maintained at a high standard. The ANUM acts as a professional and clinical role model for all team members and demonstrates advanced clinical knowledge and skills while assuming a management focus in the ward/unit. The ANUM is an integral member of the unit's management and leadership team. The ANUM accepts responsibility and accountability for designated clinical portfolios.

Key responsibilities

- Undertakes, interprets, monitors and enables the assessment of consumer's physical, cognitive, mental and psychosocial health and wellbeing needs.
- Respond to clinical changes in consumers condition and initiate intervention and consultation with relevant members of the multidisciplinary team as required.
- Accepts reports from others and is responsible to problem solve complex care situations and take appropriate actions.
- Lead, manage, direct and support the care team to ensure that appropriate care is delivered with a team member's scope of practice, is evidence based and is safe and high quality in line with policies and procedures.
- Ensure workload delegation is appropriate, monitor activity levels, assess care requirements and adjust delegations as required to ensure safe care.
- Acts to support the After Hours Supervisor as needed.
- Understanding of and the ability to mobilise the RNH Emergency Management procedure.
- Work collaboratively and support the NUM to provide effective, visible leadership and supervision across the team.
- Provides clinical leadership in the absence of the Nurse Unit Manager and accepts the NUM role when required.
- Undertake a key clinical portfolio at ward or service level.
- Leads the development of learners and other team members by facilitating a positive learning environment and providing guidance, teaching, supervision and mentoring.
- Leads health and safety practices and responds appropriately to reports and risks.
- Collects, inputs, interprets, reviews and monitors all assessment, care and evaluation information using paper based and electronic systems to meet care, funding, legal and accreditation requirements.

Fundamental expectations of Clinical team members:
