

Join the team at Rural Northwest Health

Rural Northwest Health is a public health service with a focus on providing high-quality care and services to its residents and clients, and providing a supportive environment to its team members

Podiatrist

Full-time/Part-time

We are seeking a motivated and enthusiastic Podiatrist to join our supportive Allied Health team in Warracknabeal. This role provides an excellent opportunity to build clinical experience while delivering evidence-based podiatry care across community, acute and aged care settings.

You will work with clients of all ages and manage a diverse caseload, including general podiatry, diabetes and high-risk foot care, wound management, musculoskeletal conditions, nail and skin care, footwear and orthotic advice, and mobility and falls prevention support.

Working within a rural public health service, you will have the opportunity to expand your clinical skills, collaborate with a multidisciplinary team, and make a meaningful impact on the health, mobility and wellbeing of individuals and the broader community. If you are looking for a varied and rewarding role where you can grow professionally and make a genuine difference, we would love to hear from you.

The successful candidate will have:

- A recognised tertiary qualification in Podiatry and current registration with the Podiatry Board of Australia (AHPRA).
- Demonstrated clinical knowledge and skills in podiatry assessment, treatment and management, with the ability to work across a diverse range of foot and lower-limb presentations.
- Experience working within a public health, hospital, community or multidisciplinary setting is highly regarded, although applications from candidates with experience in other relevant settings are encouraged.
- An understanding of person-centred care and the role of Podiatry within a multidisciplinary healthcare team.
- Experience or an interest in areas such as general podiatry, diabetes and high-risk foot care, wound management, musculoskeletal conditions, nail and skin care, footwear and orthotic advice, mobility and falls prevention.
- A willingness to embrace the opportunities and challenges of rural and regional healthcare, with a flexible and collaborative approach to service delivery.
- Current First Aid and CPR certification
- Current Working with Children Check and Police Check or willingness to obtain

What we can offer you:

- Personal and professional development opportunities
- Generous salary packaging benefits
- Employee Assistance Program
- A progressive, friendly, and supportive team environment
- Assistance with relocation and accommodation
- Accrued day off (ADO) entitlement for full time employee
